SUBJECT: Letter of Recommendation – Dan H. Coopridner

To Whom It May Concern:

This letter is to state that Mr. Dan H. Coopridner has been working under contract to BNFL Inc. since December of 2001. During that time, Dan was working directly for me in my capacity as Head of Project Services for BNFL Inc. Dan's duties included providing hands-on support for numerous projects and proposals, including:

- BFS project for nuclear transportation cask fabrication
- BNFL Inc. proposals at Idaho Falls, Oak Ridge, Denver and Hanford.

Dan provided both scheduling support and estimating support to these efforts, and more recently, he has been acting in the capacity of Corporate Project Controls Manager. In this recent role, he has been responsible for establishing corporate standards and procedures, working with senior management on hiring and policy decisions, managing staff-supply contracts to BNFL Inc., and developing direction and action plans for new and improved corporate infrastructure.

Dan carried out these duties on BNFL Inc.'s behalf with a great deal of enthusiasm and competence. We thank him for the efforts of these past months and wish him well in any future endeavors. Mr. Coopridner comes with our recommendation of his character and his capability and knowledge in the field of Project Management/Controls. We know he will be a valued asset for any future employer/customer.

Please contact me with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Burrows", is written over a horizontal line.

Dr Chris Burrows
Head of Project Services
